Black Bear Hunting

Basic equipment needed for the hunt

***** Don't forget your Passport and Identification (Driver's License)*****

Hunting license

Camouflage clothing (Hat, Gloves, Facemask, Shirt and Pants)

Hunter Orange vest or jacket is required

Bug suit or at a minimum bug headnet (capable of stopping no see ums)

Rain gear

Rubber or waterproof boots

Weapon and ammunition options: (A transport case is required for all weapons)

(Make sure firearms are properly locked)

Shotgun 10, 12, 16 or 20-gauge with slugs

Bow with minimum 40 lb. draw and 7/8" cutting diameter broadheads

Rifle equal to or greater than .243

Black powder equal to or greater than .45 caliber

Crossbows with a torque of at least 120 lb and bolt at least 16"

(Don't forget your License to Carry (LTC) if bringing a firearm)

If checking a firearm in at the Border, the fee is \$25.00 along with your registration form. They will inspect your firearm before you can continue. Keep the firearm easily accessible.

Thermacell and replacement cartridges and pads

Flashlight

Very comfy seat cushion

Bow hooks if using a bow

Tow string for weapon

Scent free soap for showering and spray for clothing

Wash your towels and hunting clothing in scent free soap before the hunt and pack in air tight plastic bag or bin.
